PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

Much like the whole of 2019, the last two weeks of school has been extremely busy! It has been a happy time - celebrating achievements, and a sad time - saying goodbye to friends and colleagues. It is always a bittersweet time of year.

During the extended break, please note that Camp Australia will be running their vacation program from our school hall. As such, we remind our neighbours that pets, especially dogs, are not permitted on school grounds during this time. Also, during the break there will be various works being carried out at the school. With all of this coming and going, we ask that you keep an eye out for anything suspicious and report any concerns to **School Security on 1300880021**.

Please take note of the important dates coming up in 2020 on this page and put them in your diaries, and enjoy the photos we have included from the events the children have participated in over the last two weeks.

On behalf of the staff here at Lynwood Park PS, I would like to wish our families and community a safe, relaxing Christmas and to wish everyone all the best for the New Year.
