Principal's Message

Dear Parents and Carers

Another lightning-fast term has passed us by. Here's hoping that Term 3 brings a lot less illness so we can get back to the business of teaching and learning, with a full complement of staff and a resource pool of casual teachers to draw on when needed. Thank you to our community for your ongoing support and understanding.

Parent-Teacher Interviews Semester 1 reports are being sent home today. If your child was absent, their report will be sent over the holiday period with Australia Post. Please keep an eye on your letter box. Parent - teacher interviews will be held throughout Week 1 of next term.

Pyjama Party Mufti Day Thank you to all the children who participated in our Pyjama Party Mufti Day. We raised \$277.60, which will be used for this year's Year 6 Farewell. 😊

Change in Staffing for Term 3 In Term 3, Mrs Brady will be returning from maternity leave for three days a week (Monday, Tuesday and Wednesday). She will be team teaching with Mrs Stewart on 5/6Teal, with Mrs Stewart taking the class on Thursdays and Fridays. Mrs Yousef will continue to have valuable input to the class as she will be providing the release from face-to-face time for both the other teachers. As you know, Mrs Brady is a very experienced teacher, so this will be a smooth transition for the students.

Wheelchair Basketball Roadshow and Road Safety Last week our students had the opportunity to participate in a presentation from Wheelchair Sports NSW. They learned about disabilities and being confined to a wheelchair, were able to ask questions and play a game of wheelchair basketball. Many thanks to Wheelchair Sports NSW for providing this valuable learning opportunity. As we move into the winter holiday period, please remind your children of the road safety rules and the importance of being aware and alert at all times. A life changing accident can happen at any time.

Preparing for the Blacktown Festival of Performing Arts Our choir and concert band have been busily preparing this term for our performances at BFoPA 2022. So far, the choir has been rehearsing with the full massed choir remotely via Zoom. Early in Term 3 they will be rehearsing together for the first time at Vardys Road PS. Similarly, our concert band has been practicing and last week combined with the other members of our combined band (Shelley, Seven Hills North and Vardys Road) at Shelley PS for a combined practice and rehearsal. I was fortunate enough to be able to attend this session along with the Principals from Shelley and SHNPS. I must say, there were three very proud Principals sitting in the front row! 😊

Our combined concert band has now been officially named as the Ngaramang BLC Concert Band. Ngaramang is the Dharug word for **Instrumental Music**. (BLC stands for Blacktown Learning Community. All four schools involved in the venture are proud members of this community of schools).

Flu and Cold Symptoms in Term 3 Current protocols will not change for Term 3. Please do not send students to school with cold and flu symptoms even if they are not positive for COVID. You will be called to collect them immediately if they present with symptoms. This is a Department of Education policy and has nothing to do with individual schools.

Have a lovely break with your family! – Mrs Leigh Bade

Quote of the Week

“A family is a unit composed not only of children but of men, women, an occasional animal, and the common cold. ”

- Ogden Nash (1902 – 1971) – American poet

Got It! Tip of the Week

Emotional moments can be an opportunity to teach your child and build your relationship with them. One way to do this is spending a few minutes each day talking with your child about emotional events happening in their life. This quality time might happen after school, after dinner, or at bedtime. Not all children will want to talk openly about feelings. Be patient and try talking when you are doing something together, like driving or doing household tasks. But if they don't want to talk, it is important not to pressure them. This is not the time to discipline; it is just a time for listening and reflecting on your child's emotions. Over time, this will build your child's trust in you and help them to feel more comfortable with sharing their feelings.

GROUP PARENTING PROGRAM *Helping children learn to understand and regulate their emotions.*

Camp Australia Handball Championships

On Sunday 19th June, Lily from 56T attended the Hills Grammar School to participate as our representative in the Camp Australia Handball Championships. Lily won this opportunity by participating in a Handball Competition at Lynwood Park PS through the OOSH provider, Camp Australia.

Lily's brother, Ash, went along to support her and they both got the opportunity to participate in a variety of activities including jumping sacks, egg and spoon races and balance beam challenges.

Lily's dad also got to participate in a parent's handball competition.

Lily was knocked out after her first round of competition. It was a great opportunity that she thoroughly enjoyed. Thanks for representing us Lily!

REFUGEE WEEK (June 19-25) activities at Lynwood Park PS

In week 9 all our classes participated in lessons in recognition of REFUGEE WEEK.

Students listened to stories of children who had been refugees and discussed how families who are refugees show great **resilience**. Together, classes came up with other words meaning resilience- brave, courageous, strength, determined, facing challenges, never giving up. Students discussed ways they can use resilience in their own lives.

The aim of Refugee Week is to provide an important opportunity for us all to experience and celebrate the rich cultures of refugee communities.

Refugees are people who are forced to flee their country and cannot return unless the situation that forced them to leave improves. Some are forced to flee without any warning and many have experienced trauma. The motivating factor for refugees is safety and protection.

DID YOU KNOW?

- We have 5 families at LPPS who are refugees
- There are 24 million refugees worldwide (almost the total population of Australia)
- Nearly half of all refugees are children

Haiku Poems

This term, 3/4 Crimson have been learning about poetry. Haiku poems are just one of the many types of poems we have been learning about.

A Haiku poem is a traditional Japanese poem. It consists of 3 lines. The first line contains 5 syllables, the second line has 7 syllables and the third line has 5 syllables.

We enjoyed being creative and writing haiku poems about our literacy book, Storm Boy. Check out how clever we are.

A perfect Sunday,
At the Coorong and the sea,
Feeling the soft sand.

By Mason

Thunder strikes the ground,
Lightning flashes at the house,
A massive wind blows.

By Masiah

Fresh, salty water,
Sand shining and glimmering,
Beautiful and bright.

By Sara

Grey clouds rolling fast,
Thundering and booming loud,
Storm Boy's favourite day.

By Mansehaj

Red, yellow and blue,
Colourful and beautiful,
Smooth and rough seashells.

By Callum

Large, black and white birds,
Pelicans gliding softly,
Through the crazy wind.

By Cooper

Important Information for Parents Concerning the NCCD – Nationally Consistent Collection of Data

Dear parents, guardians and carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.dese.gov.au/about-us/resources/departments-education-skills-and-employment-complete-privacy-policy-0) (<https://www.dese.gov.au/about-us/resources/departments-education-skills-and-employment-complete-privacy-policy-0>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Mrs Leigh Bade - Principal

League Stars Holiday Clinic at Cavanagh Reserve

on the 7th of July from 9:00am - 12:00pm.

League Stars holiday clinics are a great way to keep the kids active and entertained over the school holidays in a safe environment. Holiday clinics include specially designed games and activities channelling the true nature of kids, in all their messy, high energy, love of fun and play.

League Stars holiday programs are suitable for primary school aged children and will have your child exploring a world of fun, activity and adventure.

Please wear enclosed shoes and bring a water bottle and lunch. Clinic sign in from 8:30am, with the clinic starting at 9am and concluding at 12pm. All parents/guardians must sign their children in and out.

\$49 includes a league stars holiday clinic pack. Look forward to seeing you!

Visit <https://www.playrugbyleague.com/league-stars/> to register!

DATE: 7/7/2022
AGE: 5-12 years
TIME: 9.00am - 12.00pm
COST: \$49
WHERE: Cavanagh Reserve, Lalor Park

LYNWOOD PARK P&C ASSOCIATION NEWS
